# NOTICE OF A CHANGE IN POSTING SITE

At their regular meeting on September 24, 2013 the Middleton Board of Selectmen voted to declare the Town's website, [townofmiddleton.org](http://townofmiddleton.org), as the official posting site for the town. From now on all meeting notices and agendas will be posted there and on the bulletin board inside Memorial Hall.

SUBJECT: Request to Change the Town's Official Posting Site

Recently we had a new address created on the Town website for all meeting notices/agendas and minutes. This address is accessible to the Assistant Town Clerk, the Administrative Secretary, and the Town Clerk for posting meeting notices/agendas and minutes. Since then we have been posting full agendas for all meetings and minutes for those that are submitted. I have contacted the Open Government Office of the Attorney General's Office about the possibility of eliminating the outdoor board as the alternate posting site. The way to do this, if you approve of the idea, is for the Board to declare the website as Middleton's official posting site, and then for me to notify the AG's Office of your decision. We would continue to use the indoor Memorial Hall bulletin board as our alternate site. Realistically I think the website is more accessible all the time to more of our residents than either of the Memorial Hall bulletin boards.
