Minutes: Open Session: March 10, 2020 **Approved 4-0**
2. 5:05 PM **Town Administrator updates and reports on response to Coronavirus/COVID-19; updates on other topics**
 - **The coronavirus has consumed many of us since our last meeting:**
 - **As of today, Middleton has seen two cases of coronavirus/COVID-19;**
 - **Yesterday, the Governor extended the stay at home order and issued a list of essential employees. In order to protect our employees and comply with the Governor's orders we are now working remotely to the greatest extent practicable. Each department and building is unique and different offices are operating differently based on those differences;**
 - **I will speak more about the coronavirus and the Town's response under the next item**
 - **The brush collection has been rescheduled to April 18, 2020, 8AM to 4PM at the Transfer station. Any vehicle with a transfer station sticker may enter and drop off brush.**
 - **BANs for the acquisition and master planning at 105 South Main Street come due beginning of April. The coronavirus has caused a great deal of uncertainty in the bond market. Rates have jumped quite a bit in the past couple weeks. We have been advised by Hilltop Securities to roll the notes for a year in order to let the market settle down. We are scheduled to go to sale in the next two weeks. We will need a remote meeting of the Board in order to authorize the sale and then signatures on the paperwork. Once we get dates from Hilltop I will advise the Board.**
 - **I want to thank the residents and our employees for the sacrifices that are being made. This is not easy for any of us and is challenging us all to operate in unconventional and uncomfortable ways. Thank you.**
