MASSACHUSETTS TRAVEL INFORMATION

All individuals over the age of 18 and unaccompanied minors entering Massachusetts, who are not coming from a COVID lower-risk state and do not fall within certain, limited exemptions, must complete the travel form upon or prior to entry to the state.

[The form and list of exemptions on the link here.](https://www.mass.gov/info-details/covid-19-travel-order#massachusetts-travel-form-)

The Quarantine Requirement and Testing Options

All individuals arriving in Massachusetts by any means or mode, including Massachusetts residents who have left the state for anything more than transitory travel, are covered by the Massachusetts travel rule. Accordingly, even travelers not required to complete the form should act in compliance with the rule.

The rule requires that you **MUST quarantine for 10 days** unless you:

1. are coming from a [lower-risk state](#) or
2. can produce, on request, [proof of negative test result for COVID-19 from a test administered on a sample taken not longer than 72 hours before your arrival in Massachusetts](#), or
3. [meet the exemption criteria](#).
