Jail/DYS March 2020 to 3/11/2021: 532

This week, Tri-Town Health Departments worked with fellow public health colleagues on a collaboration to provide all Tri-Town K-12 (Elementary, Middle and High School) and Essex Tech High School (also serving Tri-Town students) educators, school staff, and daycare facilities with the opportunity to receive COVID vaccination appointments through a public health effort lead by Public Health Professionals in our Emergency Preparedness Coalition Region. We are thankful for our partners in Public Health!

Tri-Town K-12 educators, school staff, and daycare facilities and Essex Tech High School were provided registration appointments slots to cover all staff requesting vaccine. Public Health is what we do and we are here to fit the puzzle pieces together and make connections to serve our community.
