

# Middleton Rail Trail Looking for Volunteers

As many of you know, Middleton has begun construction of a rail trail that, when complete, will travel from the Danvers line to the North Andover line. The first phase was completed in the fall of 2020 and is located adjacent to the Howe-Manning School. Visit our website for more information:

The Middleton Rails to Trails Committee is a group of 6-7 individuals who have volunteered their time and efforts into making this a reality. They are in desperate need of more volunteers that want to make this dream become a reality.

Volunteers are needed for the following areas:

- Fundraising
- Trail Planning
- Bookkeeping
