Dear Resident:

The Northeast River Estates development project at 123 River Street, Middleton is contracted to D&M Civil, Inc. for all site, civil and utility work. In addition to on-site work, this project also involves the installation of approximately 600 feet of a water pipeline within River Street from approximately 114 River Street to 123 River Street.

Please be advised you will begin to see construction activity on River Street within the next few weeks. River Street will be closed at Route 114 on one end and Route 62 at the other while working on River Street to install the water main and restore the pavement between the hours of 7am and 5pm. Local residents and emergency vehicles will be allowed through at all times.

If you have any questions, please feel free to contact us at 978-739-4414.

Thank you for your cooperation.
